WHEN WILL I BE ABLE TO PURCHASE MY PARKING PASS?

Towing will be suspended for move-in day BUT at all other times ALL CARS IN THE PARKING LOT WILL REQUIRE A PASS, NO EXCEPTIONS! See the front desk to pick up a temporary pass.

WHO DO I MAKE OUT MY CHECKS TO?

Please make all checks out to **HARRISON APARTMENTS**. We also accept money orders, & debit cards but NO CASH OR CREDIT CARDS ARE ACCEPTED AT ANY TIME for rent.

WHAT DAY MAY I MOVE INTO MY APARTMENT THIS FALL?

Unless otherwise stated in your lease, this year's move-in day is Sunday, September 19, 2010.

Move in Hours are as follows:
9:00 am—6:00 pm

Please read the section below CAREFULLY. It outlines the requirements for moving in.

WHAT DOES HARRISON APARTMENTS REQUIRE FROM ME IN ORDER TO MOVE IN?

On move-in day you will be required to check in with a representative from Harrison Apartments. The following items will need to be turned in by you before we can issue any keys:

1. All leases must be cosigned, notarized, and turned in to the leasing staff.
2. We must have an application on file from you.
3. Your FIRST AND LAST installments of rent MUST be paid in full before we can give you ANY keys If you or your cosigner is from out of state FIRST AND LAST TWO installments of rent are due upon move in. If you do not have a cosigner, Harrison Apartments requires you to pay the entire contract amount up front.
4. If you are on a JOINT lease, all roommate's leases and paper work MUST be turned in before

any keys can be given out. ALSO, THE FULL FIRST AND LAST INSTALLMENTS OF RENT MUST BE PAID BEFORE ANYONE GETS KEYS.

We apologize for any inconvenience this might cause, but there are **NO** exceptions to this rule.

5. If you are on a JOINT LEASE, you must pay the rent in ONE CHECK each month. Separate checks will be accepted only for the first and last installments that are due upon move-in.
6. Regardless of when you paid your first and last rent installments, your second rent installment is due OCTOBER 1, 2010. As stated in your lease, rent is NOT pro-rated, instead, the yearly (or 10-installment) contract amount is divided into equal installments so you are not paying a different amount each month.
